Why choose Painter 2020?

World's most realistic Natural-Media®

Immerse yourself in the largest selection of Natural-Media brushes on the market, with thick, wet, and dry media that looks and feels just like the real thing.

Exclusive digital art brushes

Create singular art with Painter's proprietary media, Particles that spring, flow and glow, Pattern Pens that make an unforgettable mark, and extruding Thick Texture.

Streamlined photo-painting tools

Clone your images by dipping your brush directly into the photo or letting the Auto-Painting palette rapidly paint a photo using your choice of brush and media.

Incomparable composition

Paint in perfect symmetry and perspective using built-in composition tools such as Mirror painting, Kaleidoscope, Divine Proportion, Rule of Thirds and Perspective Guides.

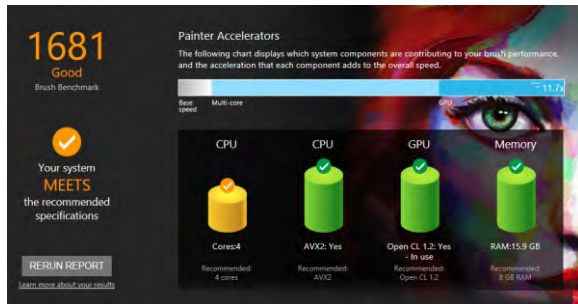

Mike Thompson

Flexible and productive

Create your own custom brushes and palettes, or import custom content from others that exponentially speeds up your artistic workflow.

Supports popular hardware and software

Open and save to .PSD. Enjoy using multi-touch or a drawing tablet with stylus tilt, rotation, bearing & pressure control plus paint on a Mac or Windows system.

Dominick Saponaro

Who's it for?

Concept artists

Take advantage of Painter's versatility to quickly develop a concept design for a motion picture, video game art, or professional character concept art.

Illustrators

Create a character, package design or promotional piece, or publish a fantasy art illustration using all the tools you need to bring your vision to life.

Manga & Comic Artists

Choose from a wide range of sketching, drawing and inking tools, and tutorials to easily draw manga characters or comics in a spectacular world.

Photo Artists

Use powerful Auto-Painting and Cloning tools to paint photos and produce visually stunning keepsakes and sellable works of photo art.

Fine Artists

Balance the mixture of realistic natural media and supernatural media types in a way that only this digital art and painting software can deliver.
